Conquest Graphics 9x12 Envelope

Place this template in a separate layer
in your layout program and delete or turn off
before sending/exporting your file.

Trim →
Edge of page.

← **Margin**

For best results keep text and
images that must be seen and
read at least 1/8" from edge of
page.

→ **Bleed**

For borderless edges, extend images,
photos and/or solid background colors
1/8" beyond the edge of the page. This
area (yellow) will be trimmed during the
finishing process. It should not contain any
information you intend to be seen or read.
