

EDDM Flat Mailer 8.5x11 Portrait (front)

Place this template in a separate layer in your layout program and delete or turn off before sending/exporting your file.

When designing multiple page documents, it is not necessary to provide your files in reader or printer spreads. Sending your project as individual pages, allows Conquest Graphics to easily create the spreads for you.

Margin →

For best results keep text and images that must be seen and read at least 1/8" from edge of page.

← **Bleed**

For borderless edges, extend images, photos and/or solid background colors 1/8" beyond the edge of the page. This area (yellow) will be trimmed during the finishing process. It should not contain any information you intend to be seen or read.
